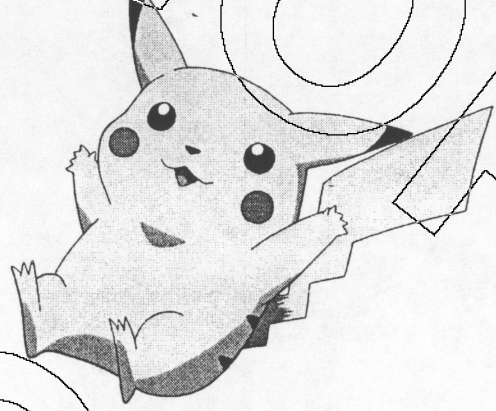
Story's hero. Casey is very cheerful and energetic. His goal is to become the world's greatest Pokémon Trainer, and receive the title of "Pokémon Master!!" Although he has yet to develop a great knowledge of Pokémons, he has a thirst for knowledge and is eager to learn. Casey's adventure begins in his home town.



PIKACHU:

In the animated television series, he is the first Pokémon to join Casey in his journey to reach the level of Pokémon Master. Pikachu can be moody, and at times hard to get along with. But once Pikachu feels safe, he warms right up to the person. While Pikachu is able to understand what humans are saying to him, he doesn't speak their language.

BROCK:

As one of the eight Gym Leaders, he has a vast knowledge regarding the Pokémon. His Pokémon of preference are those from the rock element. In the animated television series, he joins Casey on his journey to become a top Pokémon Trainer.

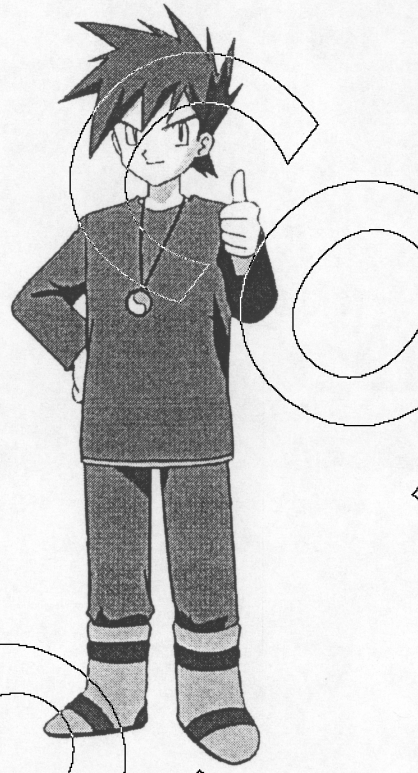
PROFESSOR OAK:

He is the ultimate authority on Pokémon. All those who wish to become a Pokémon Trainer, must begin by visiting Professor Oak. He is the one who will give them their first Pokémon, and teach them the basics of training Pokémons. Although he is a man of great knowledge, he doesn't consider himself to be an exceptional person.

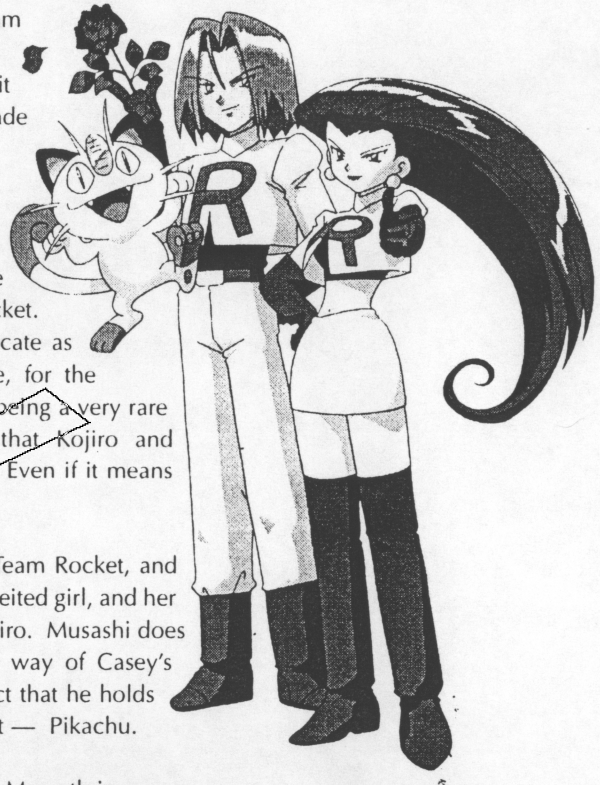


BAILEY:

He is the grandson of Professor Oak, and in his own right, an elite Pokémon Trainer. His status as a Trainer has given him a great deal of confidence. However, at times his arrogance is almost intolerable. It seems like he is always a step ahead of Casey, and truth be told, is Casey's biggest rival.

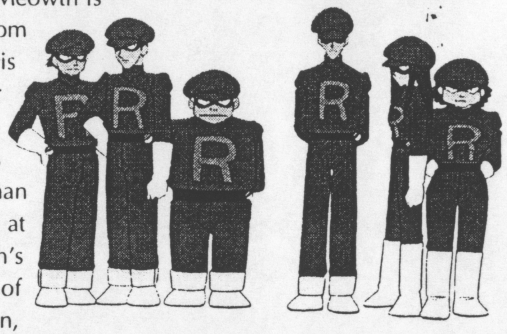
TEAM ROCKET:

These characters are made famous by the animated television series. They are not found, as individuals, in the game itself. While playing the game, our hero will do battle with troops from Team Rocket. In the television series, Casey will confront a certain unit from Team Rocket. That unit is made up of:



KOJIRO - He is the son of a wealthy family, and has been friends with Musashi from before they became partners on Team Rocket. Kojiro and Musashi's task is to locate as many rare Pokémons as possible, for the leader of Team Rocket. Pikachu, being a very rare Pokémon, is a valuable prize that Kojiro and Musashi must obtain at any cost. Even if it means confronting Casey and his friends.

MUSASHI - She is a member of Team Rocket, and Kojiro's partner. She is a very conceited girl, and her strong will is a good match for Kojiro. Musashi does everything she can to get in the way of Casey's adventure, especially given the fact that he holds a treasure that she and Kojiro want — Pikachu.



MEOWTH - Although a Pokémon, Meowth is the third member of this unit from Team Rocket. Meowth's objective is to assist Kojiro and Musashi in their efforts to collect the rare Pokémons. Meowth's many talents include the ability to speak the human language. While an eager (and at times crafty) Pokémon, Meowth's haste leads to the overlooking of important details. Which, in turn, result in failure!!
